FACTS ABOUT BAYLOR

Judge Abner V. McCall
President

Founded in 1845 under the motto, "Pro Ecclesia, Pro Texana" (for church, for state), Baylor was born an ugly duckling at a small Texas town called Independence. But the duckling developed into a swan as Baylor emerged from a one-teacher, one-building enterprise at Independence to become the largest Baptist university in the world at Waco.

The university, Texas' oldest in continuous existence, was named after Judge Robert Emmet Bledsoe Baylor, supreme court justice of the Republic of Texas, a Kentucky native who was a veteran of the

War of 1812 and member of the Kentucky Legislature before moving to Texas. Judge Baylor founded his university along with the Rev. James E. Huckins, native of New Hampshire who became principal of the first public school to be opened in Texas at Galveston; and the Rev. William M. Tryon, native of New York City who became chaplain of the Congress of the Republic of Texas.

These three men had a dream that came true—to establish a Baptist university where their children would be well-educated in a Christian tradition.

Today, Baylor is owned by the Baptist General Convention of Texas, and, of its 7,000-plus students, about 70 per cent are Baptists. It is located off Highway IH 35 on the banks of the Brazos River in Waco, a city of about 100,000 persons in Central Texas, about half the distance between Fort Worth-Dallas and Austin.

Baylor offers 16 degrees and 43 major areas of concentration. In Waco, Baylor maintains a College of Arts and Sciences and six schools: business, education, graduate, law and music. The Baylor system also operates the School of Nursing and the Medical Center in Dallas and an affiliated unit for graduate education in health care at Fort Sam Houston in San Antonio.

Baylor has one of the oldest environmental studies programs in the nation. Its academic program further is enhanced by such Baylor extras as the Armstrong Browning Library, which houses an internationally famous collection of materials relating to the works of Robert and Elizabeth Barrett Browning; the Texas Collection, the second largest collection of Texas history in existence with more than 22,000 volumes and more than 100,000 manuscript pages; the Strecker Museum of Natural History, with continuous exhibitions concerning several areas of the sciences; and the Moody Memorial Library with more than 600,000 volumes.

About 100 student organizations offer the Baylorite opportunities to get involved in service, social, religious, professional and honorary capacities. Religious activities are directed through the Office of Religious Activities that sponsors the Baptist Student Union. Cultural events such as concerts and recitals sponsored by the music school; drama by the Baylor Theater; and films, rock concerts and entertainers sponsored by the Baylor Student Union, round out Baylor's social scene.

Sports at Baylor thrive. As a member of the Southwest Conference, the Bears play some exciting football in Baylor Stadium. Also offered are basketball, track, baseball, tennis, swimming, golf and others. New to the Baylor scene is the Baylor Recreation Center on the banks of the Brazos River, which offers all kinds of water sports. Future plans for the marina recreational area include a golf course, swimming pool and nature trails.

THE OUTLOOK

NOT AS GREEN WITH MORE GOLD

The Baylor Bears are going to be a better football team in 1973 than they were in 1972, Grant Teaff's first year at the helm. But it will be difficult to better last year's record. The unanimous "Coach of the Year" accomplished a minor miracle last season on the field, winning five games when he wasn't supposed to win any, and putting the Bruins in the first division of the Southwest Conference for the first time in a decade.

However, Teaff's greatest accomplishment that will have the biggest bearing on the 1973 season, was his recruiting that has provided the Bruins with the best speed in history, a rock-ribbed and dedicated defensive unit that likes to challenge . . . and PRIDE, an ingredient that is so necessary to winning football.

The only thing that keeps the positive-thinking Teaff from really shouting his optimism is the toughest schedule in the country . . . Oklahoma, Colorado, Florida State and Pitt . . . plus the usual array of Southwest Conference toughies.

However, last year Teaff faced a similar scheduling problem and came out all right. His troops played highly-favored Georgia off their feet before losing the ball game but winning the war. They defeated Missouri 27-0 and look what Missouri did to some of the big guys later. The Bears bounced Miami and bowed to Oklahoma State in a monsoon. In the conference Teaff's charges stunned the Texas Aggies to thrill a near-capacity Homecoming crowd, stunned the TCU Horned Frogs and defeated Rice to finish in the top division. And, for three quarters against Cotton Bowl-bound Texas it was 3-3 before the inspired Bruins bowed to a Roosevelt Leaks-led charge before a stadium-record crowd of 48,394.

But, that was last year.

This time Teaff has the speed to take on the big boys. Nine backs run the 40 in 4.8 or less . . . both starting linebackers (All-America candidate Derrel Luce and JC transfer Don Bockhorn) run 4.8's, so the Bruins will be off and running.

One of the keys to success in '73 will be quarterback where the spring training ended with incumbent Neal Jeffrey fighting off a brigade of challengers just as he did all last season. Jeffrey was the starter and showed flashes of brilliance. He wound up with a 52 per cent completion average (89 of 171 for 1,030 yards and five touchdowns) and usually was outstanding as a ball handler and runner off the Slot I formation. In the spring Robert Armstrong came on strong and the "old man" of the corps, Randy Cavender and redshirt Jerry Jameson had big days. But, the spotlight points at Jeffrey where a year's maturity and experience could make him an all-conference candidate.

Teaff is up to his ears in speedy running backs. All-SWC Gary Lacy, who was the leading ground gainer last year after transferring from Wharton JC (168 carries for 669 yards and six touchdowns) leads a fiesty band of tailbacks. Lacy has improved his speed from 5.0 to 4.7 and is an excellent blocker. Chasing him is returnee letterman Godfrey White (4.6) who sat out 1972 with pericarditis (an inflammation of the sac surrounding the heart), newcomer Steve Beaird, a will-o-the-wisp Juco All-America from Blinn JC who has speed and the moves to excite the crowd, and fleet Billy Wilson, a letterman who was outstanding in the spring game.

At fullback Teaff has another problem finding a starter. Rugged Pat McNeil alternated there last season as a freshman, gaining 191 yards on 23 trips and scoring touchdowns against Arkansas and TCU. He's being challenged by Waco ace Marcus Rogers, who suddenly came out of the pack in the spring and ran brilliantly. Rogers was a tailback last year, appearing in seven games and gaining 48 yards. However, a newly-found mental toughness, plus a lot more desire, put him in the superstar class this time.

At wingback Teaff has one of the finest in the land. Brian Kilgore has great speed (4.5), tremendous hands and is a tough

cookie. He was the team's third-ranked rusher last year (230 yards on 38 trips) and was the No. 2 receiver with 23 catches for 307 yards and two touchdowns. He is 6-3, goes in at over 200 pounds and has the pro scouts drooling already.

Up front where the games are won or lost, Teaff has plenty to smile about with depth the only problem. Tight end Kenny Townsend, guard Tim Mills, center Cary Dorman, tackle Richard Mason and split end Charles Dancer return to the lineup . . . and each is quality.

Both Mills and Townsend underwent knee operations in the spring, along with reserve guard Danny Stout, so their ability to come back is the only question.

Mason and Dancer made second team All-SWC selections last season and Teaff believes Dorman was the best center in the league. Filling in will likely be JC transfer Jon Capps (6-2, 224) from Henderson JC at left tackle, soph Mike Hughes (6-4, 242) at right guard and another promising Juco transfer, Aubrey Shulz (6-1, 230) at center.

Defense is a question with the replacement of All-America defensive end Roger Goree of major concern.

"Toy Cannon" Joe Johnson is super quick at tackle and is a most dedicated player. And, he's just coming up on his junior year with established All-SWC credentials.

At Goree's old position a redshirt youngster, Dennis DeLoach came through in the spring and is the leader. He's got the size and some quickness to do the job, although he will face competition from Dale Lechler who sat out the spring with knee surgery. Lechler was the No. 2 man behind Goree last year and has considerable talent.

At the other end letterman Jim Arnold and John Oliver, who lettered as a freshman last season, will battle it out with good results.

At the "other" tackle Teaff has returnee letterman Coy (Bubba) Zunker who is a "fighter" according to Culpepper. Bubba could be a great one.

The nose guard position will be led by Phil Perry, one of the five Culpepper used last season. Big Mike Black, an outstanding defensive end last season, will challenge for the down position and has the size and the strength to be a good one.

The defensive secondary of Coach Wade Turner, the third best in the nation last season, needs some patching up. Only All-SWC candidate Tommy Turnipseede returns at the rover position but Teaff says he's the best he's seen. Don Drake will battle soph Ken Quesenberry for the starting safety position held the past seasons by All-SWC Tommy Stewart. At the cornerbacks vacated by the graduation of Ira Dean and Ricky Duff, Turner has redshirt Robert Weygandt and Keith Stone on the right side and former running back Lester Ealey and JC transfer Charles McClanahan on the other. The secondary appears to be well manned once again.

Teaff points with pride at his charges. "We've got some football players who are as good at their positions as anybody in the country," he admits. "The only trouble right now is that we just don't have as many."

Teaff thinks his team will give a good accounting of itself . . . despite the awesome schedule.

"We want to play the best . . . that's the only way you can improve. We feel that the Georgia game last year played a big part in our eventual success. We came off that field knowing that we had hooked it up with a nationally-ranked team and had given a good accounting of ourselves. I think this really helped our young men to analyze themselves and to gain additional pride the rest of the way."

As to the future?

"As I said when I came here, Baylor University is unique unto itself. We have tremendous possibilities here. We have done a great job with our facilities, we have had two good recruiting years, and we have one of the best coaching staffs in the business. We don't have to take a back seat to anybody any more. The Bears are definitely back."

COACH TEAFF LOOKS AT THE BEARS

QUARTERBACK: At this time one year ago we had three quarterbacks who showed promise of being quality college quarterbacks. Neal Jeffrey emerged from those three and led Baylor during the 1972 season as a sophomore. Now add the name of Jerry Jameson to these three. At the end of spring training Robert Armstrong was pushing hard at the starting berth.

TAILBACK: We are probably as deep in this position as any school in the league. Gary Lacy, who was second team All-Conference running back last year returns, as does Godfrey White, who missed last season because of injury. Billy Wilson is proving to be an outstanding runner with 9.5 speed. Steve Beaird and Ray Harper are both very capable backs.

FULLBACKS: Our two fullbacks last year were seniors and we lost them by graduation, which caused the staff some concern, but that concern disappeared this spring with sophomore Pat McNeil and junior Marcus Rogers doing an outstanding job, both in the area of blocking and running.

WINGBACK: A young man that we thought last year at this time could make an outstanding wingback, did just that. He is Brian Kilgore, and will be a junior. He has excellent size and tremendous hands. Brian will be pushed by a junior college transfer, Phillip Kent, who has the best speed of any player I have ever coached. He runs 4.4 in the 40.

RECEIVERS: Charles Dancer, second team All-Conference last year, is truly a great receiver. He has excellent hands and great intensity around the football. Aldo Knox, Ricky Thompson and freshman Alcy Jackson will back up Dancer. Our tight end will be Ken Townsend, if he is able to recover from a knee injury. He is backed up by Ricky Smith, a sophomore converted from quarterback.

OFFENSIVE LINEMEN: Richard Mason proved to be a very good offensive lineman in 1972, after he was moved from the defense. Cary Dorman played consistent football, and returns with more size. Tim Mills and Danny Stout are question marks because of knee injuries; and junior college transfer Jon Capps and Aubrey Schulz are being counted on heavily.

DEFENSIVE ENDS: Dennis DeLoach, John Oliver, Jim Arnold and Dale Lechler will be playing the majority of the defensive end positions for Baylor University in 1973.

DEFENSIVE BACKS: Having lost three of our four starters from the outstanding defensive secondary we had a year ago, we will certainly be unproven, but I believe we have tremendous potential with Tommy Turnipseede, Lester Ealey, Don Drake, Robert Weygandt, Charles McClanahan, Ken Quesenberry, all looking good at various times during the spring.

DEFENSIVE LINE: Joe Johnson has definitely been the outstanding man up front. He had another great spring and continues to improve every day. Coy Zunker, Mike Black and Phil Perry all have potential, being outstanding defensive linemen.

LINEBACKERS: Derrel Luce and Don Bockhorn proved in the spring that they are big enough and strong enough and fast enough to play. Luce could possibly be one of the outstanding linebackers in our league next year. Matt Dove and Harry Pfeffer will step in as backup men.

PROBLEM AREAS: One that looms the largest is our schedule. It is a very, very tough one. Other problem areas would include the defensive secondary, defensive end, noseguard and overall depth on defense. Offense—depth in the offensive line and offensive guard positions in general.

PLUS FACTORS: A coaching staff that has worked together through one full football season. A team that believes in what we are doing and the way we are doing it. Offensive backfield depth and a group of young Baylor Bears that are dedicated to playing fanatical football.

BAYLOR HALL OF FAME

Baylor's Hall of Fame was organized in 1960 to recognize and honor persons whose participation and contributions enriched and strengthened the university athletic program. All athletes are required to wait 10 years after they complete their eligibility before they qualify for the honor.

GRANT TEAFF

HEAD FOOTBALL COACH

From "Grant Who" to the unanimous choice as Southwest Conference "Coach of the Year" in less than a year marks the progress of Baylor University's dynamic young coach who re-kindled the flames of competition on the campus with pride as his theme.

Grant Garland Teaff and a dedicated coaching staff in just one season have changed Baylor's football image from one of a loser to one of a winner . . . a team that can and will compete with the best on the gridiron.

The achievement of turning a 3-28 program for the past three years into a first division finish in the Southwest Conference provided Teaff with top honors throughout the nation, but more importantly served as a notice to the athletic world that "The Bears Are Back."

Writers from all over the South have championed Teaff's achievements.

Typed Orville Henry in the Arkansas Gazette: "Baylor has no immediate discernible strengths and it has no depth in its playing squad. What the Bears are doing is playing smart, cool-headed football in an enthusiastic way. They really shouldn't beat a good team, but they encourage the other teams to beat themselves which is the foundation for all winning football."

Burle Pettit of the Lubbock Avalanche-Journal: "Teaff's first year has been anything but what his friends and advisers predicted. The Bears have been winning and the fans have been flocking to the stadium in droves. It makes one wonder just how far Grant and his youthful coaching staff may bring this situation in the years ahead. Already they've cleared the biggest hurdle. They removed almost overnight a loser's stigma that had been mounting for years."

Bob Galt, Dallas Times-Herald: "If you really want to try to squeeze blood out of a turnip, call Grant Teaff. Any guy who can have the Baylor Bears playing .500 ball six games deep into the season may be capable of just about anything. Truly amazing."

And, finally from Jim Trinkle of the Fort Worth Star-Telegram: "Basically Teaff's success at Baylor may be attributed to a couple of words. He cares."

The 39-year-old lay speaker took over as head coach at Baylor on Dec. 23, 1971 and immediately told followers of the Green and Gold that he couldn't promise them a single victory, but did vow that whenever the Bears left the field they would have put forth an effort that the alumni, students, coaches, and players themselves would be proud of.

He did just that. Coming into the Texas game Teaff's surprising Bears were a Cotton Bowl contender and through three quarters of that contest, they had visions of the big win. Then Texas muscle came through for a narrow victory, but a stadium record of 48,394 fans stood and cheered on the rejuvenation of a fighting team.

When the curtain came down on the 1972 season Teaff's team had posted a 5-6 record, the best at Baylor since 1966. Not bad for a team picked to go winless.

Doing the unexpected is Grant Teaff's trademark. At 25 he was the youngest head coach in the nation at McMurry College, his alma mater. When he left to become recruiting coordinator and end coach at Texas Tech, McMurry was nobody's pushover. After three-year tenure at Lubbock, Teaff was chosen to rejuvenate the program at Angelo State University where he had played when it was known as San Angelo College. He immediately came up with two 6-4 seasons and capped it off with a 7-3 including an upset win over defending national champion Texas A&I when Baylor called.

In the first nine months of Teaff's tenure he traveled some 50,000 miles, spoke "eyeball to eyeball" to some 50,000 persons in 183 appearances, not counting radio, television and newspaper interviews. He was in pulpits throughout the South as a Baptist lay speaker...he spoke to grade school groups...Baylor social clubs... wherever he could further the cause of Baylor University.

"I felt a tremendous love for Baylor University. Being Baptist, Baylor was always foremost in my mind, and I want to contribute to the entire university, not just the football program.

"Baylor University is a great university. It has great tradition. It is unique unto itself. There is no reason in the world Baylor University cannot compete on the gridiron just as it does in the academic world."

Teaff was an outstanding athlete at Snyder High School, being awarded the Carl Herod trophy his senior year. He played two years of junior college ball at San Angelo College, then was an All-Texas Conference linebacker at McMurry. Upon graduation he was assistant coach at Tom S. Lubbock High in Lubbock one season, then returned to his alma mater as assistant football coach and head track coach.

Teaff is married to former Texas Tech cheerleader Donell Phillips of Plainview. The couple have three daughters, Tammy 15, Tracy 12, and Layne 7.

JACK PATTERSON ATHLETIC DIRECTOR

Baylor Athletic Director Jack Patterson has been a busy man since returning to the campus in January, 1971 from the University of Texas where he had been "on loan" as track coach and assistant athletic director for the past eight years.

The quiet, but personable West Texas native who has put a first class label on Baylor's athletic facilities so that they are equal to the best in the South, has brought into the Baylor program a dynamic young football coach who has the Bears on the way to the top, and in general has accomplished miracles in a short time.

Patterson replaced an institution as athletic director at Baylor—the veteran Bill Henderson—after once serving the school seven seasons as track coach. He won three Southwest Conference championships for the Green and Gold, then moved to Austin where he repeated the feat at the University of Texas and served as assistant athletic director.

When the Baylor opportunity opened up, Patterson was the No. 1 choice, and he came back "home."

New and improved office facilities, new and improved athletic dining facilities, AstroTurf . . . all of these things can be attributed to the administration's plan to revitalize the athletic image under Patterson.

"Coach Pat" graduated from Rice in 1939 and began an illustrious coaching career in his home town of Merkel in West Texas. He moved to San Angelo for three years during which the school won the state championship in football. He then returned to Merkel as coach of all sports in 1944 and one year later went to the University of Houston where he had a successful 11-year tenure as track coach and football aide. His sprint relay teams won national acclaim and in 1956 he was called to Baylor to head up the track program.

During his first Waco stay Patterson's teams established 38 school records and captured three SWC crowns. He moved to Texas in 1963 and won his first title there in 1966. He closed out his coaching career with back-to-back championships in 1968 and 1969.

"I don't guess I'll ever get completely away from the field," Patterson said when he accepted the athletic director's position. "But, I can still glory in the work that my associates are doing and hope that by working together we can restore the Green and Gold to its rightful place in the athletic world."

In a short time Patterson has made great strides. But, to those who have known him for any length of time, this was no surprise. He's always been a champion.

Patterson is married to the former Lois Whiteley and points with pride at his two children, Mrs. David Sibley of Dallas and Dr. Jack C. Patterson, a dentist stationed with the Air Force at Langley AFB, Va. . . . and a young grandson, Jack C. Patterson III.

PAT CULPEPPER

DEFENSIVE COORDINATOR

John Patrick Culpepper lives, eats and drinks defense, so it was no surprise to Southwest Conference followers last season when the Baylor Bears wound up the third-ranked group in the league despite an inheritance of few battle-tested performers. The fiery Culpepper, who made several All-America selections at the University of Texas despite physical credentials more adapted to a halfback, was a motivating factor in the development of All-America Roger Goree in 1972 and David Jones, Sports Illustrated's Player of the Week in 1970.

Culpepper was retained from the previous Baylor coaching staff, and was immediately placed in charge of the defense by new mentor Grant Teaff. Culpepper has done nothing to indicate a failing in the selection.

Married to the former Martha Edith Commagere of New Orleans, Pat came to Baylor from the University of Colorado where he was in charge of linebackers and defensive ends. Previously he had worked under the late Jim Pittman at Tulane and Darrell Royal at the University of Texas. During his undergraduate days Culpepper received the prestigious Earl Blaik and Swede Nelson awards. The Cleburne native played in the Bluebonnet Bowl against Alabama in 1960 and in the Cotton Bowl in 1961 and 1962. The Culpeppers have two children, Connie, 4, and John Patrick III, who was born March 24, 1972. Culpepper recruits in the Houston area.

GEORGE KIRK

OFFENSIVE COORDINATOR

George Kirk was one of the most successful high school coaches in the state of Texas when he joined Grant Teaff's Baylor program as offensive coordinator. Since then he has turned a mediocre offense into a well-polished scoring machine to the extent that he has been offered a myriad of jobs . . . pro, college and high school. However, his loyalty to Teaff has kept him in Waco where he is an established member of the community.

As a high school head coach at Cameron, Littlefield and Amarillo Palo Duro Kirk posted a most impressive record, 67-27-5.

When Teaff named the ex-high school mentor to the important position of offensive coordinator, eyebrows were lifted. But Kirk came through in the manner Teaff knew he would, and in this year's spring game, a total of 72 points were tacked on the scoreboard along with over 1,000 yards total offense.

Kirk, 42, is a native of Littlefield. He spent one year at New Mexico Western, then transferred to McMurry where he played center-linebacker in 1951. He spent the next four years in the Air Force and received his degree from TCU in 1956. He later got his M.A. from Baylor in 1960. He was assistant coach at Fort Worth Diamond Hill in 1956, then moved to Temple as assistant to Jay Fikes. He was named head coach at Cameron in 1963 and posted a 22-8-3 record there. In 1966 he went home as head coach at Littlefield and had a 9-2 record and a bi-district championship. In 1967 he went to Palo Duro. Kirk is married to Baylor-ex Barbara Stephens of Slaton. The couple has a daughter, Renee, a junior at Baylor. Recruits in Panhandle.

FRANCIS (COTTON) DAVIDSON QUARTERBACKS, RECEIVERS

Coach Grant Teaff hit the jackpot when he reached into the professional ranks to lure Francis (Cotton) Davidson to his Baylor staff. Not only did he get a man with vast college and professional playing experience, but one sought then (and now) as a pro coach. And, the bonus was that Davidson was a former Baylor star with ties to the alumni and supporters.

The 41-year-old Gatesville native was credited with the development of sophomore quarterback Neal Jeffrey last season and a passing attack that kept defenders honest.

Davidson declined an opportunity to remain with the Oakland Raiders as offensive coach to return to Baylor where he had previously been a member of John Bridgers' staff.

Davidson was an all-state quarterback who was redshirted at Baylor in 1950, then was a defensive starter in 1951. The next two years he was the starting quarterback, completing 127 of 312 passes for 1871 yards and 11 touchdowns. He was co-captain of the West team in the Shrine East-West classic and played in the College All-Star game. He was the number one draft choice of the Baltimore Colts and started three games as a rookie in 1957 as alternate behind Johnny Unitas. He went to the Canadian League and played one year before injuring a shoulder and in 1959 came to Baylor where he helped John Bridgers install the Colt offense. In 1960 he joined the Dallas Texans and made the all-star team and was voted the all-star game's most valuable player. He went to Oakland in 1962 and made the 1963 all-star team. He remained active until reinjuring his shoulder in 1966 and finished out his career as player coach and scout. He is married to Baylor-ex Carolyn Mabry. The couple has two sons, Tommy, 16, and Ty 9, and two daughters, Kelly, 15, and Tracy, 12. Recruits in Central Texas area.

BILL HICKS DEFENSIVE LINE

The son of a Baptist minister, a former Baylor All-Southwest Conference center and academic All-America, William Douglas (Bill) Hicks is right at home as defensive line coach for Grant Teaff.

The 33-year-old Arkansas native who was named center on the "All 1960's" decade team at Baylor has known nothing but success as a player and coach. His Little Rock Central High School team had a 33-game winning streak when he was the all-state center and he was all-SWC in 1959, 1960 and 1961 for the Bruins. After graduation Hicks spent two years as assistant

coach for the freshman team as a graduate student, then went to Texas A&I where he was a varsity assistant until 1966 when he joined Jim Carlen's West Virginia staff. In 1969 he was brought back to Baylor by Bill Beall and was one of three holdovers retained by Teaff when he took over.

Hicks played in the 1960 Gator Bowl and the 1961 Gotham Bowl and in the North-South All-Star game after his senior year. Married to the former Iris Neill of Midland, Hicks has four children, Janie, 8, Doug, 6, Wendy, 3, and Clint, born April 14, 1972. Recruits in Central-South Texas area.

BILL LANE

DEFENSIVE ENDS

Defensive end coach Bill Lane believes in Grant Teaff and Baylor University. He believes to the extent that when Teaff left Angelo State University to take the Bruin position, he recommended Lane as his successor. Lane was offered the job, but declined to follow Teaff, "a man I can work for every day and feel that I don't have to compromise a thing."

The 40-year-old Denison native is the second member of Teaff's team to wear a Balfour ring symbolic of winning a state championship in the rugged Texas high school ranks. His 1968 Dainger-

field team won the Class AA title before he joined Teaff in the rebuilding job at Angelo State. His record the last three years at Daingerfield was an impressive 37-5.

A former all-district lineman at Denison, Lane played two years at San Angelo College then went to Stephen F. Austin where he picked up two letters. He was assistant at Daingerfield seven years and was head coach five years. He is married to the former Barbara Stanfield of Tyler and the father of two sons, Kirk, 15, and Kyle, 10. Recruits in Dallas-East Texas area.

BILL SCOGGINS

FRESHMAN COACH

If Bill Scoggins ever decided to change careers, the lanky West Texas native would be a sure hit in the entertainment world where his homespun stories might push Jerry Clower for prominence.

However, coaching is in Bill Scoggins' blood and the 44-year-old ex-Howard Payne College All-America is most effective working with freshman recruits whom he fathers and counsels.

Scoggins made his mark in the high school coaching ranks where his 1971 Sonora club was state Class A co-champion. Before Scoggins could get through shaking

hands of his proud townsmen, Teaff called him and offered him a position at Baylor and he accepted.

Scoggins played high school ball at Ballinger under Pooch Wright, then was an All-America center at Howard Payne College in 1946. He began his coaching career at Ballinger as junior high mentor in 1951 and 1952, then was elevated to varsity line coach two years. He became head coach in 1955 and won district. He quit coaching 18 months and worked as a land scout, but returned as head coach at Comanche in 1957 and 1958. He was line coach at Gatesville the next two years and joined Emory Bellard's San Angelo High staff where he was line coach seven years. He was later line coach at Burnet. Married to the former Beth Grigsby of Comanche, Scoggins has two sons, Mike, 19, and David, 11. Recruits in West Texas.

MICKEY SULLIVAN

RECRUITING COORDINATOR, TIGHT ENDS

Mickey Sullivan made All-America at Baylor University as a baseball player (he still holds the Southwest Conference batting record of .554), was an outstanding football player, was a successful high school coach . . . and now is regarded as one of the top recruiters in the nation.

The 41-year-old Houston native was retained from the previous Baylor staff and put in charge of recruiting. This past season the Bears signed three of the 12 "blue chips" in the state and garnered a fine crop of Jucos.

Sullivan was a top running back on the 1951 Orange Bowl team, and compiled an illustrious high school coaching career before coming back to Baylor. He was assistant coach at Houston Bellaire in 1960 and 1961 and at Houston Westbury from 1962 to 1965 before getting the head coaching job at Bellaire. He won three consecutive district titles and compiled a 41-12-1 record before returning to Baylor in 1969. Married to the former Marilyn Green, Mickey is the father of two children, Vince, 13, and Tina, 12.

WADE TURNER

DEFENSIVE BACKFIELD

Wade Earl Turner takes the abuse of his fellow coaches because of his size, but when they look back at his first year as defensive backfield coach, he seems 10 feet high. He just led the nation in defense against the pass and helped the overall Baylor defense rank third in the SWC.

The 37-year-old Brady native was one of the first persons Grant Teaff contacted when he accepted the Baylor job. "Wade and I have coached together a long time, we share the same coaching philosophy," Teaff said.

Turner was an all-district running back at Brady High School. He played three years at San Angelo College, making all-conference in 1955. He transferred to Stephen F. Austin where he played halfback in 1957 and 1958. He received both his bachelor's and master's degrees in 1959 and immediately joined the Angelo State staff as football assistant, baseball and track coach. He and Teaff joined forces in 1969 and he was defensive coordinator in 1970 and 1971 as the Rams led the conference in rushing defense one season and were second the next. His golf team won the crown in 1971 and placed eighth nationally.

Turner and his wife, Madonna, are parents of two children, Kimberly, 11, and Allison, 8. He recruits in the Gulf Coast-South Texas area.

BILL YUNG

OFFENSIVE LINE COACH

There may be better offensive line coaches in the nation than Baylor's Bill Yung, but Coach Grant Teaff hasn't seen any.

Teaff brought the 38-year-old former TCU great to the Baylor campus last year and placed him in charge of the offensive line that had been riddled by graduation. He immediately started preaching "Pride" and went about altering techniques. The persistent effort paid off and at the end of the first campaign, Teaff had an offensive line that was the talk of the league.

Yung came to Baylor from Grand Prairie where he wound up

a high school coaching career with a won-loss record of 48-20-4. A former Ranger High all-district tackle, Yung was a redshirt at TCU in 1952. He lettered the next three years at guard and was a member of the 1956 Cotton Bowl team. In 1956 he served as associate freshman coach at TCU, then was line coach under Chuck Curtis from 1964 through 1967 when the team won one state championship. He was head coach at Grand Prairie in 1968 and in 1969 won district. He had formerly been coach at Coleman in 1960, winning the regional championship. He was also player-coach at Fort Sill while in the service. Married to the former Esther Peters, Yung is the father of two children, Martin, 13, and Cindy, 11. Recruits in Dallas-Fort Worth area.

T. C. (SKIP) COX

HEAD ATHLETIC TRAINER

When the Baylor Bears started searching for a trainer in February, 1973, they went after the best . . . and landed him. Not only was T. C. (Skip) Cox president of the Southwest Athletic Trainers Association as head athletic trainer at North Texas State, he had the patient personality so necessary for the position.

Cox worked as student manager while an undergraduate at North Texas State, receiving his degree in 1965. He was trainer for two years at Amarillo Palo Duro (1965-1967) and at Odessa High School during the 1967-68 school year. He was in his fifth year as head trainer at North Texas State University when he accepted the Baylor position.

Cox and his wife, Kay, are parents of two daughters, Shannon, 9, and Gailey, 4, and three sons, Troy, 7, Kyle, 6, and Jeffrey, 1.

DON OLIVER

SPORTS INFORMATION DIRECTOR

In his second stint as SID at his alma mater, Don Oliver rejoined the athletic staff on Jan. 1, 1970 following long service as sports writer and editor on several Texas daily newspapers.

Oliver previously served on the Baylor staff as sports information director from 1947-50 and was assistant in 1946.

Oliver has worked as sports writer-editor on the Corpus Christi Caller-Times, Temple Telegram, Lubbock Avalanche-Journal and Abilene Reporter-News. He also was on the pro golf circuit as editor of Golf World magazine in

1958-59 and immediately prior to rejoining the Baylor staff, was night editor of The Abilene Reporter-News.

Oliver is married to the former Margaret Hering of Waco. The couple has two children, Mrs. Clark King of College Station and Mark 14, who serves as a runner in the press box. Not to be overlooked is grandson Rusty King, whose father is a doctoral student in the chemistry department at Texas A&M.

M. A. (CATFISH) SMITH

PROMOTION DIRECTOR

M. A. (Catfish) Smith heads up the Baylor Bear Club Booster organization and is promotion man for the entire athletic department.

The personable, pencil-thin former Texas high school coaching great previously served as freshman coach for nine seasons.

Catfish really needs no introduction to Texas sports fans. He was a legend as a high school mentor at Carey, Borger, Longview and Mt. Vernon and posted 26 straight wins over a three-year period. At Carey his basketball team won the state championship and Catfish is one of the few men who ever went

undefeated in an entire high school basketball season, achieving this feat at Mt. Vernon in 1948 as they won the state title. In 1947 his Mt. Vernon football team was also undefeated.

Smith is a past president of the Texas High School Coaches Association and was honored as coach of the year in 1953 by the Texas Sports Writers Association.

Catfish and his wife, Dot, are parents of two sons, Ronnie, 25, and Jimmy, 21, a Baylor senior.
